Jump Start Program 2013 : As we have done for the last 10 years, Communities In Schools of Madison County will be offering a FREE one day orientation program called Jump Start to interested in-coming 6th graders. This program is designed to help your child transition into middle school. Learn about lockers (and how to open them), the cafeteria, daily schedules, and meet some of the people that make your new school work. You will have a choice of attending **either August 12th or 13th**. This year Madison Middle school will be operating a parent orientation from 5-7:30pm each evening after Jump Start. This will allow parents to participate in this orientation when picking up their child from the Jump Start program. Preregistration for this program is required. Registration and information forms are available at all Madison County libraries or you may register or ask any questions you may have by calling Tom Field at 649-9276 ex 248 or e-mail tfield@madisonk12.net We look forward to helping your child with this big step in their lives. The emphasis of the day will be on fun, learning, and helping students feel comfortable in their new surroundings. Funding and support for this program has been provided by the Communities In Schools of Madison County, Rotary Club of Madison County, MANNA Food Bank, and Madison Middle School
